

# Assembly Instructions for Pivot Tables

Please identify the listed items before installation

## Hardware included:

- Metal pin (1)

## Components included:

- Glass 42" (1)
- Base Leg (2)

## Tools required

### Step 1: Install the *base legs*

The two *base legs* are identical. Align and insert the *metal pin* in the pre-drilled hole on one of the base legs (**Figure 1**). Adjust the angle of the base so that there is 24" between the outer ends of the legs.

### Step 2: Place glass on the base

After assembling the base, gently place the 42" glass on the base (**Figure 2**).

Figure 2. Place glass on the table

## Care Instructions

To care for and preserve the finish on your new Copeland Furniture piece, please keep the following recommendations in mind.

- While our furniture has been finished with a durable top coat, the surface may be sensitive to dents and abrasions during the first 30 days in your home.
- Treat the surface finish gently so it does not dent or chip. Tape or stickers should not be put on the finish.
- For general care use a soft cloth to dust the furniture.
- Use damp cloth with a mild soap to clean-up spills or dirt. Dry the surface thoroughly.
- Please do not use any polishes, waxes or solvents to clean the surface of the furniture. This holds true for new Copeland Furniture pieces as well as items you may already have in your home.
- Please do not place any candles directly on the surface of your furniture. The perfumes and dyes in the candles may penetrate the finish.
- Beds must be disassembled before moving to avoid damage. Never attempt to move the bed while it is assembled.
