

# SOCIAL MEDIA CONTENT

October 2025

## **NEW FORMAT:**

All posts now include multiple images utilizing Instagram's 4:5 format. Use the link on your desired page to access a shared folder for download. The images are numbered in the order to be posted.

This updated format was created to show more detail and room scenes per post. Each post ends with the updated "Made in America" icon to help alleviate consumer tariff fears.

MADE IN  
THE USA
