

# ISO DINING

The Iso Dining Room borrows the Greek word for “equal” denoting the balanced orderliness of the design. Tables and Buffets are available in several sizes and configurations to meet the needs of almost any dining space. Iso Extension tables incorporate self-equalizing, ball bearing extension glides and a single self-storing butterfly leaf for single handed operation.

All pieces are made of solid oak hardwood and Made to Order in four finishes\* with a variety of pull options. Iso Dining items are finished with a low sheen (10 sheen) top coat. The finish is **GREENGUARD Certified** for low chemical emissions.

\*Natural variations in solid wood and hand-applied finishes make each piece unique. Slight grain and finish irregularities as well as subtle differences in stain shades are signs that the furniture has been crafted from solid wood and are considered hallmarks of quality. Products selected in Soaped Oak display a variegated range of colors from blonde to light brown.
